

# Advanced Air Mobility (AAM) Full Committee Meeting Summary

Online Meeting // May 16, 2024

## Attendees

9 of 25 committee members (online)

Support members (online)

Additional members of the public (online)

## Introduction of Members and Staff

- TxDOT called roll for the committee members.

## Chair and Vice Chair Comments

- The Chair thanked the Committee for creating draft final recommendations so far and briefly covered the agenda.

## Presentations by ERCOT and FAA

- ERCOT provided a brief overview of what they do, including details on the interconnection process for generation on large loads and the handling of smaller interconnection requests.
- The FAA provided an overview of the ongoing progress in the Southwest region in leading the AAM industry. The committee asked the FAA experts about potential recommendations to the state legislature to ease the integration of AAM. They also mentioned the need to have early conversations for smooth community integration.

## Legislative Tips

- Following up on the Chair's direction to get feedback on the draft recommendations from the legislative experts, the committee was presented with legislative tips.

## Discussion Regarding Legislative Recommendations

- The Committee viewed a list of 23 AAM recommendations that were grouped based on previous committee and subcommittee discussions. The Committee offered input and suggestions to revise these recommendations.

## Committee Member Comments

- There were no committee member comments at this time.

## Public Comments

- There were no public comments at this time.

## Adjournment

- The meeting was adjourned.
