Infrastructure Working Group

Texas AAM Committee

Meeting #2, March 7th, 2024

Agenda

- Opening remarks
- **eVTOL** infrastructure requirements
- **Cargo drone** infrastructure requirements
- Next meeting dates and closing remarks

eVTOL

- What modifications are needed at **existing airports** for eVTOLs?
    - Any new physical infrastructure? (e.g., equipment storage)
    - Special electrical infrastructure?
    - Will passengers require security screening before AAM boarding?
- Are there any new **off-airport support infrastructure** needs for eVTOL? (e.g., micro wind sensors)
- How many **off-airport vertiports** will be needed and when?
- Other eVTOL infrastructure needed?

Cargo Drones

- Do cargo drones require any infrastructure not supplied by owners?
    - Is drone monitoring infrastructure needed?

Next Meeting Dates

Infrastructure Meeting 3: April 11, 1:30-3:30

Full Committee Meeting: March 27, 9:00-12:00
