

TxDOT to hold industry one-on-one meetings for the Energy Sector Road Repair Design-Build Project.

TxDOT working with partners to leverage available funds and deliver safety, congestion, maintenance, and statewide connectivity projects

Dear Interested Colleague:

TxDOT intends to hold one-on-one meetings of no longer than 30 minutes each with interested industry participants on August 12 and August 13, 2013 to discuss various aspects of the Project scope, the RFQ and the overall procurement process. One-on-one meetings may be held in person in Austin, Texas or by conference call with TxDOT officials and the Project team.

Interested parties may submit requests for one-on-one meetings in writing via e-mail to TxDOT-TEXAS-PPP-ESR2P@txdot.gov. Requests will be received starting at noon on August 8, 2013 and ending at noon on August 9, 2013. Proposer teams are encouraged to submit requests as a team rather than as individual entities. Requests should include:

- Firm name
- Firm contact name and phone number
- Firm prequalification status
- Firm bidding capacity
- Does the firm anticipate priming a proposer team? If not, what specialty service does the firm anticipate providing to a proposer team?
- Is the request for an in person meeting in Austin, Texas or for a conference call? If the request is for a conference call, please provide a conference call number and code for participants to use.

TxDOT will schedule meetings on a first-come, first-serve basis and will notify respondents of their scheduled meeting times no later than August 10, 2013. We are looking forward to your participation in these meetings.
