

## SH 183 Managed Lanes Project RFQ Q & A MATRIX

No.	Document	Section and Page	Question/Comment	Response
1	Project Website	Updates	Can you please advise as to how to sign up for receiving automatic notices from TxDOT when new material/information/notices are added to the SH 183 project website?	TxDOT sends notifications via email when updates to the project website occur. If you are not currently receiving these eblasts, and wish to receive them, please send an email to <a href="mailto:TxDOT-DAL-PPP-SH183@txdot.gov">TxDOT-DAL-PPP-SH183@txdot.gov</a> with a list of names you wish to be added and we will add these names to the distribution. TxDOT does not guarantee the accuracy and completeness of the eblast notifications and suggests that industry participants independently review the project website in addition to receiving eblast notifications.
2	RFQ	Section 3.3, p. A-15 and A-16	The RFQ indicates that TxDOT will give a presentation at the one-on-on meeting. Will this presentation take most of the meeting, or should proposers prepare a presentation as well?	The TxDOT presentation is expected to take approximately 20 minutes. The majority of the meeting is intended to be interactive between TxDOT and the proposer. Proposers are not required to prepare formal presentations, but are encouraged to bring project development ideas, questions and other topics related to the Project for consideration and discussion.
