RE: SH 288 Toll Lanes Project in Harris County
Issuance of Request for Proposals Addendum #10

To All Shortlisted Proposers:

Attached is Addendum #10 ("Addendum") to the Request for Proposals for the TxDOT SH 288 Toll Lanes Project in Harris County, issued January 31, 2014, as amended ("RFP"). The Addendum: (1) makes certain technical corrections to Form N to the Instruction to Proposers ("ITP"), (2) provides an additional Excuse from Closing (as defined in the Comprehensive Development Agreement ("CDA")) in Section 3.4.2(d) of the CDA, and (3) revises Exhibit 16 to the CDA to clarify that annual practice policies provided by the Design-Build Contractor and lead design engineer to satisfy the professional liability insurance requirements need only cover the entity for which the annual practice policy is provided.

The Addendum documents include those listed below, which are now available on the Project website (SharePoint):

Volume I – ITP Documents

1. Form N

Volume II – CDA Documents

1. CDA and Exhibits to the CDA

TxDOT is providing redline versions of Volume I showing the changes from Addendum #8, issued December 18, 2014, and Volume II showing the changes from Addendum #9, issued January 14, 2015. These redline versions are provided on SharePoint to the Proposers as a courtesy only. TxDOT is not responsible for any discrepancies in the redlines, and Proposers are cautioned against relying on the redline versions. In the case of any discrepancy, the actual contents of the Addendum shall control.

Sincerely,

Dieter Billek, P.E. *For Dieter Billek*
