In-House Bridge Maintenance Panel Discussion

Victor Songer, Dallas District

Tino Trujillo, Dallas District

Leon Flournoy, San Antonio District

Mark Johnson, Maintenance Division

Question No. 1

Brief Introductions - How are you involved in bridge maintenance at your district?

Question No. 2

What are some specific challenges that your district faces when it comes to performing bridge maintenance work in-house? How are you overcoming those challenges?

Question No. 3

What resources have you found helpful in performing this work?
Are there any other resources that Bridge or Maintenance
Division could provide to assist further?

Question No. 4

What are some needs that you see that could benefit districts statewide and better equip maintenance sections to perform in-house work?

Question No. 5

Can you share some success stories from performing in-house maintenance in your district?
