ABOUT TJ HUNTER ENGINEERING

TJ Hunter Engineering is a Dallas metroplex based consulting firm that provides professional engineering services, construction engineering management, and inspection. The firm provides services to both public and private stakeholders of

heavy highway improvement projects. Some of these services include by way of Design-Build, traffic engineering and operations, roadway and drainage design, civil site development, constructability reviews, scheduling, inspection, and management.

MEET THE OWNER

Tailéah J. Hunter, P.E.
President, TJ Hunter
Engineering, Inc.
thunter@tjhunterengineering.com

TJ Hunter Engineering (TJH Engineering) was matched with LJA Program Management, LLC (LJAPM) for the first inaugural class of the DRIVE program. TJ Hunter Engineering is led by Tailéah Hunter. Tailéah is the president of TJ Hunter Engineering. TJ Hunter Engineering is passionate about creating healthy and long-lasting partnerships with other firms as well as the community that it serves.

Several benefits that TJ Hunter Engineering has received from the pairing with LJAPM has been creating methods and foundational insight on business operations, developed firm's strategic plan, preparation, improvements on technical report preparation, and discussion on pre-positioning. The relationship between TJ Hunter Engineering and LJAPM has led to teaming opportunities between the pair, which extended to developing a relationship of working with LJAPM and its parent company LJA.
