

2025 PEPS Conference Call for Presentation Proposals

This year's PEPS Conference will be December 9-10, 2025, at the Embassy Suites Hotel and Convention Center in Frisco. Conference registration and hotel reservation links will be available soon.

Proposal topics could include general information, best practices, or lessons learned examples about any aspect of the PEPS contracting process. Other topics that would be of interest and provide value to the general PEPS conference audience will be considered, as well.
