

The Texas Department of Transportation proposes amendments to §§2.201-2.206 and the repeal of §2.207, concerning the Memorandum of Understanding (MOU) between the department of transportation and the Texas Parks and Wildlife Department. Transportation Code, §201.607, requires those agencies to adopt and update the MOU by rule. The current MOU was adopted in 2021 and the departments find it necessary to make various changes to the document.
