Forced Betterment is being claimed for the following reason(s):

- non-stocked items that are uneconomical to purchase;
- items to comply with governmental laws and ordinances;
- appropriate regulatory commission codes;
- published, current design practices regularly followed by the utility in its own work;
- installment of replacements of equivalent standard, although not identical;
- betterments for which there are direct benefits to, and /or are required for, the transportation project.

Summarize the Forced Betterment and Explain the Justification (May require letter from utility coordinator).

Checklist for additional information included with this Forced Betterment Approval (all three REQUIRED)

- exhibit showing location of forced betterment;
- back up documentation (design manuals, ordinances, cost estimates, etc.);
- Excel spreadsheet describing existing facility structures and proposed facility structures.
