RE: North Houston Highway Improvement Project (NHHIP) 3C-2 Project
Round Two Pre-Procurement One-on-One Meeting Invitation

Dear Interested Colleague:

The Texas Department of Transportation (TxDOT) intends to hold a second round of pre-procurement partnering one-on-one meetings with potential offerors to further discuss the planned development, procurement, and implementation of the NHHIP 3C-2 Project (Project), consistent with the provisions set forth in Attachment 1. The one-on-one meetings will be held at the Houston District office located at 7600 Washington Avenue, Houston, Texas 77007 on January 13 and 14, 2026. **TxDOT is offering these meeting opportunities to design-build contractors, as well as prime contractors or lead engineering firms, who may participate either together or separately. Those who wish to attend a one-on-one meeting regarding the Project must express their interest by January 2, 2026, via the Project mailbox at TxDOT-HOU-ALD-NHHIP3C2@txdot.gov.** One-on-one meetings will be conducted in person only, and attendance at the meetings will be limited to 10 people. Attendance at the prior one-on-one meetings or industry workshop is not a prerequisite to attending the upcoming one-on-one meetings.

Interested design-build teams, prime contractors, or lead engineering firms will be notified of the assigned date, time, and specific location for each one-on-one meeting by e-mail.

The Texas Department of Transportation welcomes this opportunity to have a meaningful discourse with all potential offerors concerning TxDOT's approach to the procurement and implementation of this Project at the upcoming one-on-one meetings. Attendance at the recent workshop, prior one-on-one meetings, and upcoming one-on-one meetings is not mandatory, and interested parties will remain eligible to submit a qualifications statement if they do not participate in these pre-procurement activities.
