INFORMATION YOU SHOULD KNOW

THE TEXAS OFFICIAL TRAVEL MAP

is published annually by the Texas Department of Transportation to assist travelers in safely exploring the diversity of interesting places and landscapes that Texas has to offer. Some communities, roads and waterways are omitted from the main map and insets to foster readability. The legend at the lower right corner of this side of the map identifies the various symbols and design characteristics on which this map is based.

The cover image by photographer Sean Fitzgerald highlights this Texas bluebonnet at Cedar Hill State Park near Dallas. View more of Fitzgerald's work in *Texas Highways* magazine or at texashighways.com.
