# Cementitious Grouts and Mortars for Miscellaneous Applications

The following grout and mortar products have been prequalified according to DMS-4675, "Cementitious Grouts and Mortars for Miscellaneous Applications."

The Department reserves the right to randomly sample and evaluate pre-qualified materials for conformance with DMS-4675 and to perform random audits of documentation. Department representatives may sample material from the manufacturing plant, warehouse, or the project site. The Materials & Tests Division reserves the right to test samples to verify compliance with DMS-4675.

For more information, contact the Materials & Tests Division’s Rigid Pavements and Concrete Materials Section at (512) 484-6484.
