

Coal Ash

Material Producer List
Materials and Tests Division

Texas Department of Transportation

Coal Ash

The following sources are qualified in accordance with DMS-4610, "Coal Ash," or DMS-4615, "Fly Ash for Soil Treatment."

This Material Producer list applies to the June 2020 letting and prior.

The Department reserves the right to conduct random sampling of qualified materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, terminal, shipping container, and concrete plant. The Materials & Tests Division (MTD) reserves the right to test samples to verify compliance with DMS-4610 or DMS-4615.

All sources approved as Class F and Class C are also approved as Class FS and CS.

For more information, contact MTD's Rigid Pavements and Concrete Materials Section at (512) 484-6484.

Class F Coal Ash Sources

Supplier	Producer Code	Plant	Location	Unit ^(1,2)
Amrize Cement Inc. (formally HOLCIM (US) Inc.)	98418	Trimble	Bedford, KY	1 & 2

Modified Fly Ash Sources

Supplier	Producer Code	Product	Location
Green Cement, Inc.	98095	Pozzoslag 1.0	Jewett, TX
	98095	PozzoSlag-C	Jewett, TX

Notes

1. An ampersand (&) designates the two units are collected in the same silo and sold as one.
2. A semicolon (;) designates the units are collected individually and sold individually.
3. The Department will verify the minimum replacement for option 1 annually or when a major change occurs in material composition or production.
4. Option 8 can be followed to use a dosage lower than the minimum replacement value reported in the MPL
