

Commercial Laboratories Certified for ASTM C1260/C1567 Test Methods

Material Producer List
Materials and Tests Division

Commercial Laboratories Certified for ASTM C1260/C1567 Test Methods

The following commercial laboratories have been approved to perform the test methods ASTM C1260 and ASTM C1567 in accordance with Item 421, Option 8.

The Department reserves the right to distribute random samples without notice for quality assurance. The Materials and Tests Division reserves the right to revise this list either from information gained through the distribution of random samples or from data acquired from the CCRL annual proficiency program for ASR testing.

For more information, contact the Materials & Tests Division’s Rigid Pavements and Concrete Materials Section at (512) 484-6484.

Table 1: Certified Commercial Laboratories

| Commercial Laboratory | Address | State/Zip Code | Contact Person | Phone Number |
