

# De-Icer/Anti-Icer

## Material Producer List

Materials and Tests Division

## De-Icer/Anti-Icer

The following products are pre-qualified in accordance with DMS-6400, "De-Icer/Anti-Icer." The Department reserves the right to conduct random sampling of pre-qualified materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, the project site, and the warehouse. CST/M&P reserves the right to test to verify compliance with DMS-6400. For more information, contact the Construction Division's Rigid Pavements and Concrete Materials Branch at (512) 506-5858.
