76 DE 160 Beedway Design	
76 PE 160 Roadway Design 165 Traffic Management Systems (Permanent)	
Rework By TxDOT Of Completed Consultant Plans on PE & E projects. PS&E PE are activities in Function Codes 160 through 190. Rework Segment 76 FCs 160-190 for metric conversion. Rework existing PS&E to metric units on projects already into plan preparation.	
170 Bridge Design	
190 Other pre-letting date charges, not otherwise classified.

Professional Engineering Procurement Services (PEPS) Division Function Code Mapping

Eleven (11) FCs have been consolidated from the legacy Thirty Six (36) FCs, as shown below.

PC Bus		New Function Codes (ERP Function Codes)			Legacy Function Codes	
Unit	Activity	FC	Description	FC	Description	
76	PE	192	District and Division CDA	192	Comprehensive Development Agreement Procurement	
76	PE	193	Toll Collection Planning	193	Toll Collection	
76	CE	300	OO General Function	310	Project Supervision	
				320	Inspection of Work in Progress and Project Records	
				330	Job Control	
				340	Post Letting Date Construction Surveys for Construction Contracts.	
				350	Design Verification, Changes and Alterations (State prepared plans only)	
				351	Design Verification, Changes and Alterations (Consultant prepared plans only) Review of plans to verify applicability to actual conditions and for errors; checking Shop Drawings, Field Change Requests, Extra Work Orders, Memorandum Agreements and Supplement Agreements. Includes such activities at both residency and district headquarters. Includes all costs to acquire and manage consultant contracts and services applicable to Construction Engineering (CE).	
				352	Final Plan Preparation	
				390	Construction Engineering not Otherwise Classified
