Work Authorization No. 2  
Notice of Suspension

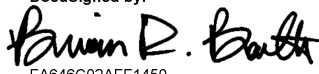

Dear Mr. Purpura:

The purpose of this letter is to confirm the telephone conversation between Mr. Tucker Ferguson P.E, Austin District Engineer and Aaron Autry, P.E., Sr Sector Manager on October 9, 2025, concerning suspending the above-referenced work authorization. This suspension was approved by the Deputy Executive Director for Program Delivery on September 9, 2025.

This work authorization is suspended at the close of business on November 9, 2025. This letter provides thirty days' written notice of suspension as described in Attachment A (General Provisions), Article 3 (Suspension of Work Authorizations) of the contract. In order to minimize additional expenditures, effort expended during the 30 days should be limited to steps necessary to wrap up tasks for any data or deliverables to be provided to TxDOT. After the suspension date, no work is to be performed on this work authorization. Work may resume only as authorized in a separate written reinstatement letter from TxDOT.

Should you have any questions, please contact Megan Dutton of the Austin District at (737) 272-7027.

Sincerely,

DocuSigned by:
