Work Authorization No. 03  
Notice of Suspension

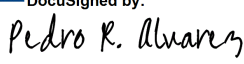

Dear Mr. Reza Badiozzamani:

The purpose of this letter is to confirm the email between Salvador Aranda, engineering assistant and Oliver Salgado senior project manager on September 2, 2025, concerning suspending the above-referenced work authorization. This suspension was approved by the Deputy Executive Director for Program Delivery on October 7, 2025.

This work authorization is suspended at the close of business on October 8, 2025. This letter provides thirty days' written notice of suspension as described in Attachment A (General Provisions), Article 3 (Suspension of Work Authorizations) of the contract. In order to minimize additional expenditures, effort expended during the 30 days should be limited to steps necessary to wrap up tasks for any data or deliverables to be provided to TxDOT. After the suspension date, no work is to be performed on this work authorization. Work may resume only as authorized in a separate written reinstatement letter from TxDOT.

Should you have any questions, please contact Mariel Torres of the Pharr District at (956) 702-6358.

Sincerely,

DocuSigned by:
