

## Recycled Asphalt Shingles

**NOTE: Refresh the page to view the most current list.**

The following producers are pre-qualified to supply recycled asphalt shingles (RAS), based on a history of satisfactory environmental testing and a documented quality control plan, as described in DMS-11000, “Evaluating and Using Nonhazardous Recyclable Materials Guidelines.”

The materials shown on this list are pre-qualified based on environmental suitability only; engineering suitability must still be determined according to the appropriate engineering specifications for the application in which they are used. The Department reserves the right to randomly sample and test pre-qualified materials at any time for specification compliance.

For pre-qualified producers of other nonhazardous recycled materials, see “[Nonhazardous Recycled Materials](#).”

For more information, please contact the Construction Division’s Flexible Pavements Branch at (512) 506-5836.

<b>Pre-Qualified Producers of Recycled Asphalt Shingles</b>			
<b>Producer</b>	<b>Contact Info</b>	<b>Recycled Material</b>	<b>Primary Applications</b>
APAC-Texas, Inc. Alvarado Plant 800 County Road 209 Alvarado, TX 76009	David Morton (214) 926-9116	Shingles (Pre-consumer)	Asphalt Concrete
