## Material Producer List

Materials and Tests Division

### Asphalt Binders

The [Tex-545-C](#), “Asphalt Binder Quality Program,” provides the requirements and procedures for asphalt binder suppliers to obtain prequalification and preapproval of their products from the Materials and Tests Division (MTD).

®

The following producers are pre-qualified in accordance with [Tex-545-C](#). Producers who do not appear on this list may not supply asphalt binders for use on TxDOT projects. Producers on this list must still provide current TxDOT Quality Monitoring (QM) lab numbers (also referred to as Seal Numbers in SiteManager) indicating preapproval of specific products with all shipments (this information is also available in SiteManager and at [TxDOT's website](#). For more information, contact MTD's Asphalt Binder Section at (512) 506-5242 or [MTD-Asphalt-Engineering@txdot.gov](mailto:MTD-Asphalt-Engineering@txdot.gov).
