

Cementitious Grouts and Mortars for Miscellaneous Applications

Material Producer List
Materials and Tests Division

Cementitious Grouts and Mortars for Miscellaneous Applications

The following grout and mortar products have been prequalified according to DMS-4675, "Cementitious Grouts and Mortars for Miscellaneous Applications."

The Department reserves the right to randomly sample and evaluate pre-qualified materials for conformance with DMS-4675 and to perform random audits of documentation. Department representatives may sample material from the manufacturing plant, warehouse, or the project site. The Materials & Tests Division reserves the right to test samples to verify compliance with DMS-4675.

For more information, contact the Materials & Tests Division's Rigid Pavements and Concrete Materials Section at (512) 484-6484.
