Material Producer List

Materials and Tests Division

Lime

The following producers are pre-qualified to supply hydrated lime, commercial lime slurry, and quicklime.

The Department reserves the right to conduct random sampling of pre-qualified materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, the project site, and the warehouse. The Material and Tests Division(MTD) reserves the right to test to verify compliance with DMS-6350, "Lime and Lime Slurry."

For more information, contact the MTD's Rigid Pavements and Concrete Materials Branch at (512) 506-5858.
