

Vehicle Loop Wire Sealant

Material Producer List

Materials and Tests Division (MTD)

Texas Department of Transportation

Vehicle Loop Wire Sealant

The following products are pre-qualified in accordance with DMS-6340, "Vehicle Loop Wire Sealant." The Department reserves the right to conduct random sampling of pre-qualified materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, the project site, and the warehouse. MTD reserves the right to test to verify compliance with DMS-6340. For more information, contact the MTD's Rigid Pavements and Concrete Materials Branch at (512) 506-5858.
