

# Multipolymer Pavement Markings

Material Producer List  
Materials and Tests Division

## **Multipolymer Pavement Markings**

The following manufacturers of multipolymer pavement markings have complied with the requirements of DMS-8230, "Multipolymer Pavement Markings."

The materials listed below are pre-qualified for use when DMS-8230 is referenced. These materials require no further testing before use unless deemed necessary by the Project Engineer or the Materials and Tests Division (MTD). Tex-734-I, "Sampling Epoxy," describes the sampling method.

The Department reserves the right to conduct random sampling of pre-qualified, certified materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, the project site, and the warehouse. MTD reserves the right to test samples to verify compliance with DMS-8230.

For qualification on the MPL contact [DMS\\_Prequal@txdot.gov](mailto:DMS_Prequal@txdot.gov) following the pre-qualification procedure of DMS-8230. For additional information, contact the MTD's Coatings, Calibration and Traffic Materials Section at (737)-291-8064.

## Multipolymer Pavement Markings

Supplier	Contact	Producer Code	Type	Model	Expiration Date
