## **STRATEGIC PUBLIC ENGAGEMENT MEETING OPPORTUNITIES**

The goal is to ensure that the right meeting group(s) are engaged at the right time. This may require multiple meetings with different meeting groups to arrive at a decision.

### **PUBLIC ENGAGEMENT OBJECTIVES**

- **Transparent Communication:** Establishing transparent and bidirectional communication avenues to foster open dialogues between decision-makers and the
- **Stakeholder Engagement:** Soliciting input from all stakeholders, especially those directly impacted by the project, including residents, business proprietors, property holders, commuters, and community leaders.
- **Clear Information Dissemination:** Providing clear and easily understandable information regarding the NHHIP to empower the public to contribute constructively
- **Inclusiveness:** Actively involving a diverse array of perspectives and voices in the decision-making process, including representatives from traditionally marginalized
- **Collaboration and Partnership:** Leveraging collaboration and partnership with grassroots community groups, advocacy organizations, and other stakeholders to tap into collective knowledge and expertise.
- Continuous Improvement: Proactively seeking input on the public involvement process itself to consistently enhance future decision-making endeavors.
