Subject: Agency Meeting: North Houston Highway Improvement Project Environmental
Impact Statement

Dear Mr. Greanias:

The Federal Highway Administration (FHWA), in cooperation with the Texas Department of Transportation (TxDOT), will hold a meeting for cooperating agencies for the North Houston Highway Improvement Project. An Environmental Impact Statement (EIS) is being prepared for this project, in accordance with the National Environmental Policy Act of 1969, to analyze potential direct, indirect, and cumulative effects to the human and natural environment that may occur from the construction and operation of proposed transportation improvements in the project area. The project limits are from the interchange of US 59 and SH 288 to the interchange of IH- 45 and Beltway 8 North, a distance of approximately 16 miles. The study area includes portions of IH-10, US 59, and SH 288 near downtown Houston; Hardy Toll Road from north of downtown Houston to Beltway 8 North; and IH-610 and Beltway 8 North between IH-45 and Hardy Toll Road. Additional information is available on the project website: www.IH45northandmore.com.

If your agency has not yet formally agreed to be a cooperating agency, we extend this invitation to become a cooperating agency with the FHWA in the development of the EIS for the proposed project. Your agency's involvement would entail only those areas under its jurisdiction, and no direct writing or analysis by your agency will be necessary for the document's preparation.

If you have any questions, or would like to discuss the project or agency roles and responsibilities during the preparation of this EIS in more detail, please contact Julia Ragsdale at 512-416-2612 or julia.ragsdale@txdot.gov.

You and other federal agency representatives are invited to attend a focused meeting for agency discussion regarding the project, prior to the next public meetings. The agency meeting will be held as follows:

Thursday, November 14, 2013
10 a.m. to 12:00 p.m.
TxDOT Houston District Office, Conference Room 105
7600 Washington Avenue
Houston, Texas 77007

If you cannot attend the agency meeting, please consider sending a representative. If you have any questions regarding this meeting, please contact Mr. Pat Henry at 713-802-5241.

Meetings for the general public will be held as follows:

Thursday, November 14 5:30 p.m. – 7:30 p.m. Aldine Ninth Grade School 10650 North Freeway Houston, TX 77037	Tuesday, November 19 5:30 p.m. – 7:30 p.m. Jefferson Davis High School 1101 Quitman Street Houston, TX 77009
---	--

The purpose of the meetings is to present information about, and receive feedback on, the reasonable alternatives for highway improvements in the North Houston corridor, the process being used to evaluate the alternatives, and how community feedback has been incorporated to date in the planning process. Meeting attendees will also have the opportunity to view project information, ask questions of the study team, and discuss their concerns.

Thank you for your participation and interest in this project.

Sincerely,

Gregory S. Punske, P.E.

North Houston Highway Improvement Project
Environmental Impact Statement
Control 0500-03-554 (formerly 0912-00-146)

Dear Name «Salutation» «LastName»:

The Texas Department of Transportation (TxDOT), in cooperation with the Federal Highway Administration (FHWA), will hold a meeting for participating agencies for the North Houston Highway Improvement Project. TxDOT and FHWA are preparing an Environmental Impact Statement (EIS) for this project, in accordance with the National Environmental Policy Act of 1969, to analyze potential direct, indirect, and cumulative effects to the human and natural environment that may occur from the construction and operation of proposed transportation improvements in the project area. The project limits are from the interchange of US 59 and SH 288 to the interchange of I-45 and Beltway 8 North, a distance of approximately 16 miles. The study area includes portions of I-10, US 59, and SH 288 near downtown Houston; Hardy Toll Road from north of downtown Houston to Beltway 8 North; and I-610 and Beltway 8 North between I-45 and Hardy Toll Road. Additional information is available on the project website: www.IH45northandmore.com.

If your agency has not yet formally agreed to be a participating agency, we extend this invitation to become a participating agency with FHWA and TxDOT in the development of the EIS for the proposed project. This designation does not imply that your agency either supports the proposal or has any special expertise with respect to the evaluation of the project.

Pursuant to Section 6002 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), participating agencies are responsible for identifying, as early as possible, any issues of concern regarding the project's potential environmental or socioeconomic impacts that could substantially delay or prevent an agency from granting a permit or other approval that is needed for the project. We suggest your agency's role in the development of the above project should include the following as they relate to your area of expertise:

1. Provide meaningful and early input on defining the proposed project's need and purpose, determining the range of alternatives to be considered, and the methods and level of detail required in alternatives analysis.
2. Participate in coordination meetings and joint field reviews, as appropriate.
3. Timely review and comment on the pre-draft or pre-final environmental documents to reflect the views and concerns of your agency on the adequacy of the document, alternatives considered, and the anticipated impacts and mitigation.

OUR GOALS

MAINTAIN A SAFE SYSTEM • ADDRESS CONGESTION • CONNECT TEXAS COMMUNITIES • BEST IN CLASS STATE AGENCY

An Equal Opportunity Employer

LEGAL NOTICES

PUBLIC MEETING NOTICE NORTH HOUSTON HIGHWAY IMPROVEMENT PROJECT

The Texas Department of Transportation (TxDOT), in cooperation with the Federal Highway Administration, will hold public meetings for the North Houston Highway Improvement Project. The project limits are from the interchange of US 59 and SH 288 to the interchange of I-45 and Beltway 8 North. The study area includes portions of I-10, US 59, and SH 288 near downtown Houston; Hardy Toll Road from north of downtown Houston to Beltway 8 (BW 8) North; and I 610 and BW 8 North between I-45 and Hardy Toll Road. TxDOT is preparing an Environmental Impact Statement (EIS), in accordance with the National Environmental Policy Act of 1969, to analyze potential direct, indirect, and cumulative effects to the human and natural environment that may occur from the construction and operation of proposed transportation improvements in the project area. Two identical public meetings will be held as follows: Nov. 14, 2013 at Aldine Ninth Grade School, 10650 North Freeway, Houston, TX; and Nov. 19, 2013 at Jefferson Davis High School, 1101 Quitman St., Houston, TX. The meetings will be held in an open house format from 5:30 p.m. to 7:30 p.m. The purpose of the public meetings is to present information about, and receive public feedback on, reasonable alternatives for highway improvements in the North Houston corridor; the alternatives evaluation process; and how community feedback has been incorporated in the planning process.

A short video regarding the project can be viewed during the meeting. Maps of the study area and exhibits showing reasonable alternatives and the study process will be on display. Project team members will be available to answer questions. The same information will be presented at both meetings. After the meetings, the information presented will be available for review and reproduction on the project website www.IH45NorthandMore.com, and at the TxDOT Houston District Office, 7600 Washington Avenue, Houston, Texas 77007, which is open Monday through Friday from 8:00 a.m. to 5:00 p.m., excluding state holidays. Meeting materials will be in English, with some materials also in Spanish. Spanish-speaking project team members will be available to talk with Spanish-speaking attendees. Persons interested in attending the meeting who have special communication or accommodation needs are encouraged to contact TxDOT's District Public Information Office at (713) 802-5072 by Nov. 12, 2013. TxDOT will make every reasonable effort to accommodate special needs. For more information, visit www.IH45NorthandMore.com. Written comments regarding the project will be accepted at the meetings; on the project website www.IH45NorthandMore.com; by mail to Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386; and by email to HOU-plowebmail@txdot.gov. Comments received or postmarked by Friday, Dec. 6, 2013 will be included in the public meeting record.

**AVISO DE REUNIÓN PÚBLICA
PROYECTO DE MEJORAMIENTOS PARA LA CARRETERA NORTE HOUSTON**

El Departamento de Transporte de Texas (TxDOT), en cooperación con la Administración Federal de Carreteras (FHWA), llevará a cabo reuniones públicas para el Proyecto de Mejoramientos de la Carretera Norte Houston. Los límites del proyecto son desde el cruce de la carretera US 59 y SH 268 hasta el cruce del I-45 y Beltway 8 Norte. El área de estudio incluye porciones de I-10, US 59, y SH 288 cerca del centro de Houston; Hardy Toll Road desde el norte del centro de Houston hasta Beltway 8 (BW 8) Norte; I-610 y BW 8 Norte entre I-45 y Hardy Toll Road.

TxDOT está preparando una Declaración de Impacto Ambiental (EIS), en conformidad con la Ley de Política Ambiental Nacional (NEPA) de 1969, para analizar los posibles efectos directos, indirectos y acumulativos al medio ambiente natural y humano que puede ocurrir por la construcción y operación de las mejoras propuestas en el área del proyecto.

Dos reuniones públicas idénticas se llevarán a cabo de la siguiente manera: 14 de noviembre del 2013 en la Escuela Aidine del Nueve Grado, 10650 North Freeway, Houston, TX; y el 19 de noviembre del 2013 en la Escuela Jefferson Davis High School, 1101 Qultman St., Houston, TX. Las reuniones se llevarán a cabo en un formato de foro abierto de 5:30 de la tarde a 7:30 de la noche.

El propósito de las reuniones públicas es presentar información y recibir comentarios del público sobre las mejoras propuestas de las carreteras en el corredor de Norte Houston, el proceso de evaluación de alternativas y cómo la opinión de la comunidad se ha incorporado en el proceso de planificación.

Un breve video sobre el proyecto se podrá ver durante la reunión. Los mapas de la zona del estudio y exposiciones que muestran las alternativas razonables y el proceso de estudio estarán en exhibición. Los miembros del equipo del proyecto estarán disponibles para contestar preguntas. La misma información será presentada en ambas reuniones. Después de las reuniones, la información presentada estará disponible para su revisión y la reproducción en la página web del proyecto www.IH45NorthandMore.com, y en la oficina de TxDOT en el Distrito de Houston, 7600 Washington Avenue, Houston, Texas 77007, que está abierta de Lunes a Viernes de 8:00 de la mañana a 5:00 de la tarde, excluyendo los días festivos estatales.

Materiales de la reunión será en inglés, con algunos materiales en español. Los miembros del equipo que hablan español estarán disponibles para hablar con los asistentes que hablan español. Las personas interesadas en asistir a la reunión que tienen necesidades de alojamiento o necesidades especiales de comunicación se les recomendará contactar a la Oficina de Información Pública del Distrito de TxDOT al (713) 802-5072 antes del 12 de Noviembre del 2013. TxDOT hará todos los esfuerzos razonables para acomodar las necesidades especiales. Para más información, visite www.IH45NorthandMore.com.

Los comentarios escritos sobre el proyecto serán aceptados en las reuniones; en la página web del proyecto www.IH45NorthandMore.com; y por correo al Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386; y por correo electrónico a HOU-pioweb@mail@txdot.gov. Comentarios recibidos y matasellados en o antes de viernes 6 de diciembre del 2013 se incluirán en el registro de la reunión pública.

3rd Public Meeting Dates: November 14 and 19, 2013

2nd Scoping Meeting Summary Report and Responses to Comments Posted

The Texas Department of Transportation, in cooperation with the Federal Highway Administration, is initiating the National Environmental Policy Act (NEPA) process for highway improvements in the north Houston area. The North Houston Highway Improvement Project involves evaluation of the IH 45 North corridor from near downtown Houston to Beltway 8 North, Beltway 8 North from IH 45 North to the Hardy Toll Road, the Hardy Toll Road from IH 610 North Loop to Beltway 8 North, IH 610 North Loop from IH 45 North to the Hardy Toll Road, and portions of IH 10 and US 59 near downtown Houston.

The primary objective of the NEPA evaluation is to assess the needs of the project area and evaluate possible alternatives, including a no build alternative. Environment impacts will be further evaluated for those recommended alternatives that meet the need for and purpose of the project in order to select a preferred alternative. The Environmental Impact Statement process will include participation and involvement of the public, elected officials, cooperating agencies, and other interested parties.

PUBLIC MEETING NOTICE
NORTH HOUSTON HIGHWAY IMPROVEMENT PROJECT

The Texas Department of Transportation (TxDOT), in cooperation with the Federal Highway Administration, will hold public meetings for the North Houston Highway Improvement Project. The project limits are from the interchange of US 59 and SH 288 to the interchange of I-45 and Beltway 8 North. The study area includes portions of I-10, US 59, and SH 288 near downtown Houston; Hardy Toll Road from north of downtown Houston to Beltway 8 (BW 8) North; and I-610 and BW 8 North between I-45 and Hardy Toll Road.

TxDOT is preparing an Environmental Impact Statement (EIS), in accordance with the National Environmental Policy Act of 1969, to analyze potential direct, indirect, and cumulative effects to the human and natural environment that may occur from the construction and operation of proposed transportation improvements in the project area.

Two identical public meetings will be held as follows: Nov. 14, 2013 at Aldine Ninth Grade School, 10650 North Freeway, Houston, TX; and Nov. 19, 2013 at Jefferson Davis High School, 1101 Quitman St., Houston, TX. The meetings will be held in an open house format from 5:30 p.m. to 7:30 p.m.

The purpose of the public meetings is to present information about, and receive public feedback on, reasonable alternatives for highway improvements in the North Houston corridor; the alternatives evaluation process; and how community feedback has been incorporated in the planning process.

A short video regarding the project can be viewed during the meeting. Maps of the study area and exhibits showing reasonable alternatives and the study process will be on display. Project team members will be available to answer questions. The same information will be presented at both meetings. After the meetings, the information presented will be available for review and reproduction on the project website www.IH45NorthandMore.com; and at the TxDOT Houston District office, 7600 Washington Avenue, Houston, Texas 77007, which is open Monday through Friday from 8:00 a.m. to 5:00 p.m., excluding state holidays.

Meeting materials will be in English, with some materials also in Spanish. Spanish-speaking project team members will be available to talk with Spanish-speaking attendees. Persons interested in attending the meeting who have special communication or accommodation needs are encouraged to contact TxDOT's District Public Information Office at (713) 802-5072 by Nov. 12, 2013. TxDOT will make every reasonable effort to accommodate special needs. For more information, visit www.IH45NorthandMore.com.

Written comments regarding the project will be accepted at the meetings; on the project website www.IH45NorthandMore.com; by mail to Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386; and by email to HOU-piowebmail@txdot.gov. Comments received or postmarked by Friday, Dec. 6, 2013 will be included in the public meeting record.

AVISO DE REUNIÓN PÚBLICA PROYECTO DE MEJORAMIENTOS PARA LA CARRETERA NORTE HOUSTON

El Departamento de Transporte de Texas (TxDOT), en cooperación con la Administración Federal de Carreteras (FHWA), llevará a cabo reuniones públicas para el Proyecto de Mejoramientos de la carretera Norte Houston. Los límites del proyecto son desde el cruce de la carretera US 59 y SH 288 hasta el cruce del I-45 y Beltway 8 Norte. El área de estudio incluye porciones de I-10, US 59, y SH 288 cerca del centro de Houston; Hardy Toll Road desde el norte del centro de Houston hasta Beltway 8 (BW 8) Norte; I-610 y BW 8 Norte entre I-45 y Hardy Toll Road.

TxDOT está preparando una Declaración de Impacto Ambiental (EIS), en conformidad con la Ley de Política Ambiental Nacional (NEPA) de 1969, para analizar los posibles efectos directos, indirectos y acumulativos al medio ambiente natural y humano que puede ocurrir por la construcción y operación de las mejoras propuestas en el área del proyecto.

Dos reuniones públicas idénticas se llevarán a cabo de la siguiente manera: 14 de noviembre del 2013 en la Escuela Aldine del Nueve Grado, 10650 North Freeway, Houston, TX; y el 19 de noviembre del 2013 en la Escuela Jefferson Davis High School, 1101 Quitman St., Houston, TX. Las reuniones se llevarán a cabo en un formato de foro abierto de 5:30 de la tarde a 7:30 de la noche.

El propósito de las reuniones públicas es presentar información y recibir comentarios del público sobre las mejoras propuestas de las carreteras en el corredor de Norte Houston, el proceso de evaluación de alternativas y cómo la opinión de la comunidad se ha incorporado en el proceso de planificación.

Un breve video sobre el proyecto se podrá ver durante la reunión. Los mapas de la zona del estudio y exposiciones que muestran las alternativas razonables y el proceso de estudio estarán en exhibición. Los miembros del equipo del proyecto estarán disponibles para contestar preguntas. La misma información será presentada en ambas reuniones. Después de las reuniones, la información presentada estará disponible para su revisión y la reproducción en la página web del proyecto www.IH45NorthandMore.com, y en la oficina de TxDOT en el Distrito de Houston, 7600 Washington Avenue, Houston, Texas 77007, que está abierta de Lunes a Viernes de 8:00 de la mañana a 5:00 de la tarde, excluyendo los días festivos estatales.

Materiales de la reunión será en inglés, con algunos materiales en español. Los miembros del equipo que hablan español estarán disponibles para hablar con los asistentes que hablan español. Las personas interesadas en asistir a la reunión que tienen necesidades de alojamiento o necesidades especiales de comunicación se les recomiendan contactar a la Oficina de Información Pública del Distrito de TxDOT al (713) 802-5072 antes del 12 de Noviembre del 2013. TxDOT hará todos los esfuerzos razonables para acomodar las necesidades especiales. Para más información, visite www.IH45NorthandMore.com.

Los comentarios escritos sobre el proyecto serán aceptados en las reuniones; en la página web del proyecto www.IH45NorthandMore.com; y por correo al Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386; y por correo electrónico a HOU-piowebmail@txdot.gov. Comentarios recibidos y matasellados en o antes de viernes 6 de diciembre del 2013 se incluirán en el registro de la reunión pública.

The Texas Department of Transportation (TxDOT), in cooperation with the Federal Highway Administration, will hold public meetings for the North Houston Highway Improvement Project. The project limits are from the interchange of US 59 and SH 288 to the interchange of I-45 and Beltway 8 North. The study area includes portions of I-10, US 59, and SH 288 near downtown Houston; Hardy Toll Road from north of downtown Houston to Beltway 8 (BW8) North; and I-610 and BW 8 North between I-45 and Hardy Toll Road.

TxDOT is preparing an Environmental Impact Statement, in accordance with the National Environmental Policy Act of 1969, to analyze potential direct, indirect, and cumulative effects to the human and natural environment that may occur from the construction and operation of proposed transportation improvements in the project area.

Two identical public meetings will be held as follows: November 14, 2013, at Aldine Ninth Grade School, 10650 North Freeway, Houston, Texas; and November 19, 2013, at Jefferson Davis High School, 1101 Quitman Street, Houston, Texas. The meetings will be held in an open house format from 5:30 p.m. to 7:30 p.m.

The purpose of the public meetings is to present information about, and receive public feedback on, reasonable alternatives for highway improvements in the North Houston corridor; the alternatives evaluation process; and how community feedback has been incorporated in the planning process.

A short video regarding the project can be viewed during the meeting. Maps of the study area and exhibits showing reasonable alternatives and the study process will be on display. Project team members will be available to answer questions. The same information will be presented at both meetings. After the meetings, the information presented will be available for review and reproduction on the project website www.IH45NorthandMore.com; and at the TxDOT Houston District office, 7600 Washington Avenue, Houston, Texas 77007, which is open Monday through Friday from 8:00 a.m. to 5:00 p.m., excluding state holidays.

Meeting materials will be in English, with some materials also in Spanish. Spanish-speaking project team members will be available to talk with Spanish-speaking attendees. Persons interested in attending the meeting who have special communication or accommodation needs are encouraged to contact TxDOT's District Public Information Office at (713) 802-5072 by November 12, 2013. TxDOT will make every reasonable effort to accommodate special needs. For more information, visit www.IH45NorthandMore.com.

Written comments regarding the project will be accepted at the meetings; on the project website www.IH45NorthandMore.com; by mail to Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386; and by email to HOU-piowebmail@txdot.gov. Comments received or postmarked by Friday, December 6, 2013, will be included in the public meeting record.

North Houston Highway Improvement Project EIS
Control 0500-03-554 (formerly 0912-00-146)

Dear «Salutation» «LastName»:

Attached is a Notice of Scoping Meeting to be held by the Texas Department of Transportation regarding an Environmental Impact Statement that will be prepared for the North Houston Highway Improvement Project. The limits of the proposed project begin at the interchange of US 59 and SH 288 and follow northward along I-45 to the interchange of I-45 and Beltway 8 North, a distance of approximately 16 miles. The proposed project area also includes portions of I-10, I-610, US 59, SH 288 near the downtown Houston area, and the Hardy Toll Road located north of downtown Houston. The purpose of this public scoping meeting is to present information about, and receive public feedback on, reasonable alternatives for highway improvements in the North Houston corridor, the process being used to evaluate these alternatives, and how community feedback has been incorporated to date in the planning process.

You, or your representative, are cordially invited to attend the meeting that will be held as follows:

Thursday, November 14, 2013
Aldine 9th Grade School
10650 North Freeway
Houston, Texas 77037
5:30 p.m. to 7:30 p.m.

Tuesday, November 19, 2013
Jefferson Davis High School
1101 Quitman Street
Houston, Texas 77009
5:30 p.m. to 7:30 p.m.

We are available to meet with you prior to the scoping meeting to answer any questions that you may have or to review the proposed project. If you have any questions in the interim, please contact the Director of Project Development, Pat Henry, at (713) 802-5241.

Sincerely,

Michael W. Alford, P.E.
District Engineer
Houston District

OUR GOALS

MAINTAIN A SAFE SYSTEM ▪ ADDRESS CONGESTION ▪ CONNECT TEXAS COMMUNITIES ▪ BEST IN CLASS STATE AGENCY
An Equal Opportunity Employer

PUBLIC MEETING NOTICE NORTH HOUSTON HIGHWAY IMPROVEMENT PROJECT

The Texas Department of Transportation (TxDOT), in cooperation with the Federal Highway Administration, will hold public meetings for the North Houston Highway Improvement Project. The project limits are from the interchange of US 59 and SH 288 to the interchange of I-45 and Beltway 8 North. The study area includes portions of I-10, US 59, and SH 288 near downtown Houston; Hardy Toll Road from north of downtown Houston to Beltway 8 (BW8) North; and I-610 and BW 8 North between I-45 and Hardy Toll Road.

TxDOT is preparing an Environmental Impact Statement, in accordance with the National Environmental Policy Act of 1969, to analyze potential direct, indirect, and cumulative effects to the human and natural environment that may occur from the construction and operation of proposed transportation improvements in the project area.

Two identical public meetings will be held as follows: November 14, 2013, at Aldine Ninth Grade School, 10650 North Freeway, Houston, Texas; and November 19, 2013, at Jefferson Davis High School, 1101 Quitman Street, Houston, Texas. The meetings will be held in an open house format from 5:30 p.m. to 7:30 p.m.

The purpose of the public meetings is to present information about, and receive public feedback on, reasonable alternatives for highway improvements in the North Houston corridor; the alternatives evaluation process; and how community feedback has been incorporated in the planning process.

A short video regarding the project can be viewed during the meeting. Maps of the study area and exhibits showing reasonable alternatives and the study process will be on display. Project team members will be available to answer questions. The same information will be presented at both meetings. After the meetings, the information presented will be available for review and reproduction on the project website www.IH45NorthandMore.com; and at the TxDOT Houston District office, 7600 Washington Avenue, Houston, Texas 77007, which is open Monday through Friday from 8:00 a.m. to 5:00 p.m., excluding state holidays.

Meeting materials will be in English, with some materials also in Spanish. Spanish-speaking project team members will be available to talk with Spanish-speaking attendees. Persons interested in attending the meeting who have special communication or accommodation needs are encouraged to contact TxDOT's District Public Information Office at (713) 802-5072 by November 12, 2013. TxDOT will make every reasonable effort to accommodate special needs. For more information, visit www.IH45NorthandMore.com.

Written comments regarding the project will be accepted at the meetings; on the project website www.IH45NorthandMore.com; by mail to Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, Texas 77251-1386; and by email to HOU-piowebmail@txdot.gov. Comments received or postmarked by Friday, December 6, 2013, will be included in the public meeting record.

PUBLIC MEETING NOTICE

NORTH HOUSTON HIGHWAY IMPROVEMENT PROJECT

ENVIRONMENTAL IMPACT STATEMENT

The Texas Department of Transportation (TxDOT), in cooperation with the Federal Highway Administration, will hold public meetings for the North Houston Highway Improvement Project. The project limits are from the interchange of US 59 and SH 288 to the interchange of I-45 and Beltway 8 North. The study area includes portions of I-10, US 59, and SH 288 near downtown Houston; Hardy Toll Road from north of downtown Houston to Beltway 8 (BW 8) North; and I 610 and BW 8 North between I-45 and Hardy Toll Road.

The purpose of the public meetings is to present information about, and receive public feedback on, reasonable alternatives for highway improvements in the North Houston corridor; the alternatives evaluation process; and how community feedback has been incorporated in the planning process.

The same information will be presented at both meetings. Meeting materials will be in English, with some materials also in Spanish. Spanish-speaking project team members will be available to talk with Spanish-speaking attendees. After the meetings, the information presented will be available for review and reproduction on the project website www.IH45NorthandMore.com; and at the TxDOT Houston District office, 7600 Washington Avenue, Houston, Texas 77007. The meetings will be held in an open house format from 5:30 p.m. to 7:30 p.m.

PROYECTO DE MEJORAMIENTOS PARA LAS CARRETERAS NORTE HOUSTON DECLARACION DE IMPACTO AMBIENTAL

AVISO DE REUNIÓN PÚBLICA

El Departamento de Transporte de Texas (TxDOT), en cooperación con la Administración Federal de Carreteras (FHWA), llevará a cabo reuniones públicas para el Proyecto de Mejoramientos de las carreteras Norte Houston. Los límites del proyecto son desde el cruce de la carretera US 59 y SH 288 hasta el cruce del I-45 y Beltway 8 Norte. El área de estudio incluye porciones de I-10, US 59, y SH 288 cerca del centro de Houston; Hardy Toll Road desde el norte del centro de Houston hasta Beltway 8 (BW 8) Norte; I-610 y BW 8 Norte entre I-45 y Hardy Toll Road.

El propósito de las reuniones públicas es presentar información y recibir comentarios del público sobre las mejoras propuestas de las carreteras en el corredor de Norte Houston, el proceso de evaluación de alternativas y cómo la opinión de la comunidad se ha incorporado en el proceso de la planificación.

La misma información será presentada en ambas reuniones. Materiales de la reunión será en inglés, con algunos materiales en español. Los miembros del equipo que hablan español estarán disponibles para hablar con los asistentes que preferían hablar español.

Después de las reuniones, la información presentada estará disponible para su revisión y la reproducción en la página web del proyecto www.IH45NorthandMore.com, y en la oficina de TxDOT en el Distrito de Houston, 7600 Washington Avenue, Houston, Texas 77007. Las reuniones se llevarán a cabo en un formato de foro abierto de 5:30 de la tarde a 7:30 de la noche.

Jueves, 14 de Noviembre, 2013
Escuela Aldine 9th Grade School
10650 North Freeway

Third public meeting for I-45 widening

Oct 21st, 2013

by [Charles Kuffner](#).

From the [I-45 Coalition](#), via the inbox:

TxDOT is starting to roll again on the I-45 project!

TxDOT has just scheduled the 3rd round of public meetings to be held Thursday, Nov 14 at Aldine Ninth Grade School, 10650 North Freeway & Tuesday, Nov 19 at Jeff Davis High School, 1101 Quitman. Both meetings will be open house format from 5:30 pm to 7:30 pm.

As a brief recap to remind you where we are ... because it has been a while:

TxDOT wants to 'improve' the I-45 Corridor to alleviate current traffic and plan for future traffic.

- 1) TxDOT held its 1st Public Scoping meeting in November 2011 to hear from the public on what to do in the I-45 corridor.

After analyzing the input from the public from that meeting:

- 2) TxDOT held its 2nd Public Scoping meeting in October 2012. TxDOT broke the project into 3 segments: Segment 1 (Beltway 8 to 610); Segment 2 (610 to I-10); and Segment 3 (Downtown Loop System).

Each segment had 6 Preliminary Alternatives for a total of 18 alternatives for all 3 segments. TxDOT was to determine the 3 most popular alternatives for each segment (for a total of 9) from evaluating the responses from the public.

Supposedly, "Within 2 months following each meeting, a report from TxDOT summarizing public comments and responses will be made available to the public".

After the 1st Public meeting, it took 10 months for the public comments to be available. After the 2nd Public Meeting, it took TxDOT a full year to post the comments .. it just went up this week!

TxDOT has also just announced the 3rd Public Meeting in November 2013 (mentioned above).

- 3) This 3rd Public Meeting – is where they will announce the 3 alternatives for each segment (for a total of 9) and we, the public, will choose the final "winner" in each segment. So this is a ***VERY IMPORTANT MEETING!*** The results from this meeting will determine how & where the I-45 corridor will proceed! Please mark your calendars now & plan to attend in November! I

do not know which 3 alternatives in each segment received the most favorable input at this time. However, within the next 30 days, the I-45 Coalition will be evaluating all comments to determine which alternatives appear to be most favored.

You can find all the details of the 1st Public Meeting & the 2nd Public Meeting on TxDOT's website for this project – www.IH45Northandmore.com.

PLEASE, PLEASE, PLEASE plan on attending either of the two upcoming meetings (they both should be identical) so you can (1) hear firsthand from TxDOT what they say are the 3 favored alternatives in each segment & (2) make an informed decision as to what you feel should be the final alternative!

If you made a comment & submitted it to TxDOT after the 2nd Public meeting, I would suggest that you check to make sure your comment is 'on the record', by going to TxDOT's website & checking. All comments are indexed, so it should be easy to find. If it is not recorded, or not accurate, please let me know.

If you are not on the I-45 Coalition email list, please add your name by going to www.I-45Coalition.org and sign up. You can also find us on Facebook. Once on our list, we will notify you of any updates, meetings or changes to the project. Also if you would like to attend our Steering Committee meetings, just let us know!

Please get involved and/or stay involved! **This is important.** These decisions will affect you, your family, your home or business & your neighborhood. If you ever use I-45 or have any concerns about what will or will not be done on I-45 ... you need to be involved!

See [here](#) for the most recent update, which was a year ago. As always, if you can make it to these meetings, please do so.

YES.

TxDOT schedules Public Meetings on North Houston Highway Project

By Staff • Nov 05, 2013

NORTH HOUSTON—The Texas Department of Transportation (TxDOT), in cooperation with the Federal Highway Administration, will hold public meetings for the North Houston Highway Improvement Project. The project limits are from the interchange of US 59 and SH 288 to the interchange of I-45 and Beltway 8 North.

The study area includes portions of I-10, US 59, and SH 288 near downtown Houston; Hardy Toll Road from north of downtown Houston to Beltway 8 North; and I-610 and Beltway 8 North between I-45 and Hardy Toll Road.

The purpose of the meetings is to present information about, and receive public feedback on, reasonable alternatives for highway improvements in the North Houston corridor; the alternatives evaluation process; and how community feedback has been incorporated in the planning process.

The same information will be presented at both meetings. Materials will be in English with some materials also in Spanish. Spanish-speaking project team members will be available to talk with Spanish-speaking attendees. After the meetings, the information will be available for review and reproduction at www.IH45NorthandMore.com and at the TxDOT Houston District Office located at 7600 Washington Avenue, Houston, Texas 77077.

The meetings will be held in an open house from 5:30 pm to 7:30 pm.
 Thursday, November 14, 2013 at Aldine 9th Grade School, 10650 North Freeway, Houston, TX 77037.
 Tuesday, November 19, 2013 at Jefferson Davis High School, 1101 Quitman Street, Houston, TX 77009.

Comments may be submitted at: www.IH45NorthandMore.com, by e-mail to HOU-piowebmail@txdot.gov, by mail to: Director of Project Development, Texas Department of Transportation, P.O. Box 1386, Houston, TX. 77251-1386.

Comments should be e-mail or postmarked by December 6, 2013.

TxDOTto present ways to improve traffic conditions in the North Houston corridor at two public meetings

By Submitted | Posted: Friday, November 8, 2013 10:41 pm

In an effort to address existing and future traffic demands on IH 45 North Freeway and the North Houston area, the Texas Department of Transportation will host a pair of public meetings on November 14 and November 19 to present information on the North Houston Highway Improvement Project.

IH 45 North Freeway is already a heavily traveled corridor and connecting highways have reached full capacity during peak hours. Many motorists traveling between downtown, the Texas Medical Center, the Woodlands, and several major airports are doing so on congested roads.

With population numbers for the Houston area expected to rise significantly by 2035, the project aims to provide a highway facility with additional capacity and other transportation remedies that will address demand. These efforts will help manage congestion, improve mobility, enhance safety, and provide travelers with options to get to their destinations.

The project limits are from the interchange of US 59 and SH 288 to the interchange of I-45 and Beltway 8 North. The study area includes portions of I-10, US 59, and SH 288 near downtown Houston; Hardy Toll Road from north of downtown Houston to Beltway 8 North; and IH 610 and Beltway 8 North between I-45 and Hardy Toll Road.

The public meetings will be held on Thursday, November 14 at Aldine Ninth Grade School, 10650 North Freeway, Houston, and Tuesday, November 19 at Jefferson Davis High School, 1101 Quitman St., Houston. The meetings will be held in an open house format from 5:30 p.m. to 7:30 p.m.

The purpose of this third round of public meetings is to present information on proposed options of the North Houston Highway Improvement Project, and receive public feedback on reasonable alternatives for highway improvements in the North Houston corridor and how community feedback has been incorporated in the planning process.

During the second round of public meetings for the North Houston Corridor held in October 2012 there were over 400 citizen comments submitted. This helped to narrow the six preliminary alternatives for three separate segments down to three alternatives for those segments.

A short video regarding the project can be viewed during the meeting. Maps of the study area and exhibits showing reasonable alternatives and the study process will be on display. Project team members will be available to answer questions.

TxDOT sets meetings to discuss I-45 north

By Robin Foster | Posted: Monday, November 11, 2013 3:00 pm

Alternatives to improve 16 miles of I-45 from U.S. 59 and Texas 288 to Beltway 8 North will be discussed in a pair of public meetings scheduled this week and next by the Texas Department of Transportation in cooperation with the Federal Highway Administration.

Studies of the corridor alternatives date back to 2002. The study area includes portions of I-10, U.S. 59, and Texas 288 near downtown Houston; the Hardy Toll Road from north of downtown Houston to Beltway 8 North; and I-610 and Beltway 8 North between I-45 and the Hardy Toll Road.

This is the third public scoping meeting since 2011, and central Houston residents who have followed the project's progress are expecting to see potential alternatives for each of three segments along the corridor.

Alternatives discussed to date have included a tunnel along I-45 between I-610 and I-10, widening the Hardy Toll Road for additional inbound and outbound lanes north of downtown and creating one-way traffic on the downtown loop system.

Groups like the I-45 Coalition support use of tunnels to add capacity through the corridor and manage traffic flow through downtown.

"We try to stay on top of it. We want to be part of the solution," said Randy Raimond, a member of coalition and the First Ward Civic Club.

No funding has been identified for improvements on I-45, but the upcoming meetings will guide future selection of a recommended alternative when funding does become available.

According to its press release, TxDOT is preparing an Environmental Impact Statement to analyze potential effects that the construction and operation that I-45 improvements would have on residents and businesses in the project area.

The meetings will be held in an open house format from 5:30-7:30 p.m. as follows:

Nov. 14, 2013, at Aldine Ninth Grade School, 10650 North Freeway.

Nov. 19, 2013, at Jefferson Davis High School, 1101 Quitman Street.

The same information will be presented at both meetings, which aim to present reasonable alternatives and obtain feedback on them from the public.

Transportation in Houston with Dug Begley

Upcoming meeting lays out options for I-45 widening

Posted on November 12, 2013 | By Dug Begley

Everything's bigger in Texas, maybe even the freeway medians. As officials take another step in the process of widening Interstate 45 from downtown north to the Sam Houston Tollway, one option to essentially make the teardrop-shaped inner loop created by I-45 and U.S. 59 an odd confluence of I-45 running along both sides of the business district remains a possibility, according to planning to handouts for a Thursday meeting.

Morning rush hour traffic heading for downtown Houston on Interstate 45 South near Cottage Street in August 2012. Photo: Gary Fountain/ For the Chronicle

Texas Department of Transportation officials have spent years planning for a wider I-45 north of downtown, holding public sessions for the past decade to gather comment. Residents, especially those within Loop 610 north of downtown, have vehemently and vocally opposed any idea that widens the freeway in its existing right of way. After a lot of winnowing of options, TxDOT officials have proposed three options for adding lanes between Loop 610 and Interstate 10. The first simply widens the freeway by adding two carpool/toll lanes in each direction, either by taking more right of way or by burying the freeway and capping it with concrete so the frontage road is atop

the freeway. Two other options add the managed lanes either as a center-bridge structure or double-decking the managed lanes. Things get even more complex south of I-10, where the three remaining options seem to be widening the Pierce Elevated portion of I-45 and making Pierce Street more narrow; moving I-45 to where U.S. 59 is and running the freeways parallel along the eastern side of downtown while tearing out the Pierce and turning the route into a parkway to get to I-10; and leaving I-45 southbound lanes on the Pierce Elevated and moving the northbound lanes to follow U.S. 59. In essence, the last option turns the distance between the Pierce Elevated and U.S. 59 into the largest freeway median on earth. It'll just be occupied by several hundred thousand people on any given day. This differs from an earlier idea to essentially [make the inner Loop one giant roundabout](#).

For more details, check out the project's [documents page for the upcoming meeting](#). The first of two meetings about the proposals is Thursday at Aldine Ninth Grade School. Details can be found on the project site and [TxDOT's meeting notice](#).

Reminder: I-45 public meeting tonight

Nov 14th, 2013

by [Charles Kuffner](#).

From [The Highwayman](#):

As officials take another step in the process of widening Interstate 45 from downtown north to the Sam Houston Tollway, one option to essentially make the teardrop-shaped inner loop created by I-45 and U.S. 59 an odd confluence of I-45 running along both sides of the business district remains a possibility, according to planning to handouts for a Thursday meeting.

Texas Department of Transportation officials have spent years planning for a wider I-45 north of downtown, holding public sessions for the past decade to gather comment. Residents, especially those within Loop 610 north of downtown, have vehemently and vocally opposed any idea that widens the freeway in its existing right of way.

After a lot of winnowing of options, TxDOT officials have proposed three options for adding lanes between Loop 610 and Interstate 10. The first simply widens the freeway by adding two carpool/toll lanes in each direction, either by taking more right of way or by burying the freeway and capping it with concrete so the frontage road is atop the freeway. Two other options add the managed lanes either as a center-bridge structure or double-decking the managed lanes.

Things get even more complex south of I-10, where the three remaining options seem to be widening the Pierce Elevated portion of I-45 and making Pierce Street more narrow; moving I-45 to where U.S. 59 is and running the freeways parallel along the eastern side of downtown while tearing out the Pierce and turning the route into a parkway to get to I-10; and leaving I-45 southbound lanes on the Pierce Elevated and moving the northbound lanes to follow U.S. 59.

See [here](#), [here](#), and [here](#) for more on the meeting, and [here](#) for more on the giant downtown highway roundabout. Personally, I think all of these choices are lousy, but if you forced me to pick one anyway, I'd take the bury-the-freeway option. I have a schedule conflict and can't attend this meeting tonight, so if you go please feel free to tell us about it in the comments, or drop me a note at [kuff – at – offthekuff – dot – com](mailto:kuff-at-offthekuff-dot-com). Thanks.

UPDATE: [Today's Chron story](#) has some more detail.

Smiley N. Pool, Staff

Pierce Elevated cuts through downtown between the St. Joseph Medical Center and its Professional Building. TxDOT has three options for widening I-45 near downtown.

November 14, 2013

Moving more traffic along Interstate 45 in downtown Houston could mean moving the entire freeway, or at least many of its lanes, regional transportation planners say.

Confronting how to carry cars and trucks through the city's central business district is one of a handful of issues officials are tackling with a massive corridor plan for I-45, from the north Sam Houston Tollway to U.S. 59 near St. Joseph Parkway. Along the way, officials are hoping to fit two carpool-toll lanes in each direction and improve freeway interchanges and on-and-off ramps.

Planners will hold public comment meetings on the proposals Thursday night and Tuesday night.

Because of the complexities of adding the lanes in various areas along the more than 15-mile route, officials have broken the project into three segments, each with its own challenges.

1 From the Sam Houston Tollway to Loop 610, officials are considering widening the freeway to four lanes and two managed lanes in each direction or elevating the managed lanes.

1 Between Loop 610 and Interstate 10, options include widening the freeway and covering it to put the frontage roads on top; elevating the managed lanes in a single four-lane structure over the general use lanes; or double-decking the managed lanes to, essentially, create a sunken, three-tier freeway.

1 The downtown loop segment, probably the most complex of the three areas because of limited space, has three viable options: widening the Pierce Elevated portion of I-45 and narrowing Pierce Street; moving I-45 to where U.S. 59 is and running the freeways parallel along the eastern side of downtown while tearing out the Pierce and turning the route into a parkway to get to I-10; or leaving I-45 southbound lanes on the Pierce Elevated and shifting the northbound lanes to follow U.S. 59.

All of the options represent major changes to what TxDOT traffic counts rank as one of the state's most congested freeways.

"The thing that is somewhat astonishing is the amount of traffic going through that is not destined to downtown or around downtown," said Bob Eury, executive director of the Houston Downtown Management District. "It gets snarled up by people getting off and on."

Don't hold your breath

Do not expect the changes or a wider freeway anytime soon, however.

"If funding were made available today, this project would cost \$1.13 billion and would be ready to begin construction in 2025," state transportation officials said in a recent report.

Moving or restructuring the freeway will be a major change for drivers and potentially reshape downtown Houston road connections. Along with a planned extension of the Hardy Toll Road to downtown, shifting I-45 is a major piece of overall traffic improvements, one that potentially could have the freeway surrounding the central business district.

The Thursday meeting begins the third round of public comment. Two previous sessions in 2010 and 2012 generated huge discussion and dissension. The latest plans were released online earlier this week.

"I had a lot of hope after the second meeting that they were going to consider the public's choices," said Jim Weston, a Woodland Heights resident active with the I-45 Coalition, which sparred previously with TxDOT on some of the widening proposals. "After looking at the three (alternatives) they have picked, I have lost a little faith in that."

Tunneling is a no-go

The plans for the downtown and center segments are expected to draw the most interest and criticism.

None of the options for the stretch between Loop 610 and I-10 include acquiring significant right of way, something nearby residents have vehemently opposed since talk of widening the freeway began in 2004.

Weston said the options also do not include what most residents said was their preferred choice: Tunneling so the freeway would be separated from the neighborhood and the downtown area. Though expensive, Weston said tunnel construction would not affect the existing freeway as much as other proposals, and the added cost would be worth it.

Many of the 400-plus comments TxDOT received favored the tunnel plan.

TxDOT spokesman Danny Perez said the tunnel was taken off the list of reasonable alternatives because of engineering challenges.

"There would be no available space for roadway shoulders within a tunnel," Perez said. "This creates a safety hazard in the event of an accident and greatly reduces access for emergency vehicles."

Vehicles also would face slower speeds in a tunnel, Perez said, defeating part of the purpose of the widening and its ability to handle the growing traffic demand planners predict.

In an effort to address existing and future traffic demands on I-45 North Freeway and the North Houston area, the Texas Department of Transportation will host a pair of public meetings on November 14 and November 19 to present information on the North Houston Highway Improvement Project.

The project limits are from the interchange of US 59 and SH 288 to the interchange of I-45 and Beltway 8 North. The study area includes portions of I-10, US 59, and SH 288 near downtown Houston; Hardy Toll Road from north of downtown Houston to Beltway 8 North; and IH 610 and Beltway 8 North between I-45 and Hardy Toll Road.

The public meetings will be held on Thursday, November 14, 2013 at Aldine Ninth Grade School, 10650 North Freeway, Houston, TX and Tuesday, November 19, 2013 at Jefferson Davis High School, 1101 Quitman St., Houston, TX. The meetings will be held in an open house format from 5:30 p.m. to 7:30 p.m.

The purpose of this third round of public meetings is to present information on proposed options of the North Houston Highway Improvement Project, and receive public feedback on reasonable alternatives for highway improvements in the North Houston corridor and how community feedback has been incorporated in the planning process.

A short video regarding the project can be viewed during the meeting. Maps of the study area and exhibits showing reasonable alternatives and the study process will be on display. Project team members will be available to answer questions. The same information will be presented at both meetings.

Karla Barguiarena will have more on this story on ABC13 Eyewitness News this afternoon. **Find Karla on Facebook at [ABC13KarlaBarguiarena](#) or on Twitter at [@KarlaABC13](#)**

TxDOT is asking for more public input as it tries to find ways to deal with increasing traffic on the North Freeway.

With explosive growth north of Houston, TxDOT is trying to figure out how to handle the increasing load of traffic coming into downtown and the Medical Center using I-45. The agency is now having a third round of public meetings on what can be done to address the North Freeway's needs.

Listen Live: 

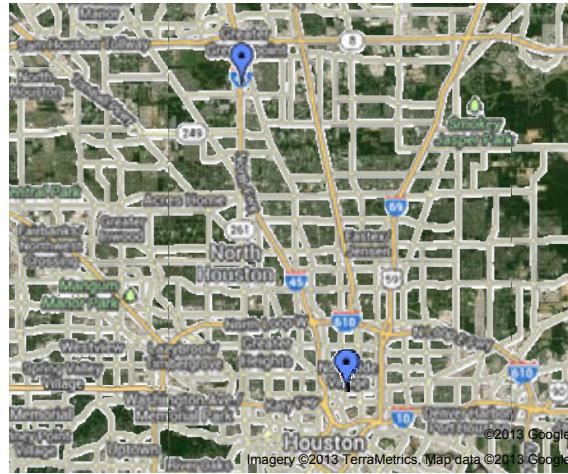

process of just getting comments from the public."

And Perez stresses they're still early in the process as they develop what's known as the **North Houston Highway Improvement Project**.

"We still have a long way to go as far as the selection process and when it's under review, so it's years down the line. It could be 10 to 20 years."

There's a meeting on the I-45 study this Thursday at Aldine Ninth Grade School on the North Freeway. Another meeting is set for next Tuesday at Davis High School on Quitman Street.

Both meetings begin at 5:30 p.m.

Transportation Policy Council - October 25, 2013

On Friday, October 25, 2013, the Transportation Policy Council reviewed and approved amendments to the 2013-2016 Transportation Improvement Program (TIP) and the 2035 Regional Transportation Plan Update (RTP). The amendments awarded an additional \$2.6 million to support increased costs on the County Road 48 widening project in Brazoria County, programmed \$1.6 million to the City of Houston to perform rehabilitation work on Cambridge Street and reconciled the TIP with a \$3.8 million program of transit projects jointly developed by the City of Conroe and The Woodlands Township for their urbanized area of responsibility.

Chair Ed Emmett appointed four members to the 2014 TPC Nominating Committee. The Nominating Committee recommends candidates for four officer positions (Chair, First Vice Chair, Second Vice Chair, and Secretary), to serve for a term of one year. They also recommend

candidates for a representative and alternate for the at-large position on the TPC for Other Transportation Interests and appoint candidates to the 16 at-large positions on the Technical Advisory Committee. The Nominating Committee appointments are Mayor Robert Fry - West University Place (Smaller Cities), Mr. Scott Elmer - City of Missouri City, Mr. Dan Krueger - City of Houston, and Commissioner Stan Kitzman - Waller County.

TxDOT District Engineer Mike Alford gave a brief update on the upcoming public meetings concerning the [North Houston Highway Improvement Project](#) (I-45N corridor). Public Meetings will be held on November 14, 2013 and November 19, 2013 to discuss the scope of this work. This corridor encompasses IH 45 N, one of the state's most congested corridors, as well as the Hardy Toll Road, portions of BW 8 North, and the interchange complex around downtown Houston. TxDOT is exploring ways to improve mobility and safety in the corridor. More detail in the [article below](#).

H-GAC has launched Our Great Region 2040, a long-range draft plan for improvements in the 13-county planning area. This draft plan focuses on six areas: strengthening economic competitiveness; securing a clean and ample water supply; cultivating places where people can lead active, healthy lives; providing balanced housing choices; achieving a better transportation system; and increasing resiliency to disaster and changing environments.

Three open houses will be held this month to provide more information on the plan and to gather comments and concerns from residents. The [draft plan](#) and [summary](#) are available for download.

Public Meetings for North Houston Highway Improvements

Two public meetings will be held to discuss and receive public comments on improvements proposed to IH 45. TxDOT, in cooperation with the Federal Highway Administration (FHWA), is initiating the National Environmental Policy Act (NEPA) process for highway improvements in the north Houston area. The time, dates and location are as follows:

Thursday, November 14, 2013
5:30 p.m. - 7:30 p.m.
Aldine Ninth Grade School
10650 North Freeway
Houston, TX 77037

Tuesday, November 19, 2013
5:30 p.m. - 7:30 p.m.
Jefferson Davis High School
1101 Quitman Street
Houston, TX 77009

The primary objective of the NEPA evaluation is to assess the needs of the project area and explore possible alternatives, including a no-build scenario. Environmental impacts will be further studied for those alternatives that meet the need and purpose of the project in order to select a preferred alternative.

The North Houston Highway Improvement Project involves evaluation of the IH 45 North corridor from near downtown Houston to Beltway 8 North, Beltway 8 North from IH 45 North to the Hardy Toll Road, the Hardy Toll Road from IH 610 North Loop to Beltway 8 North, IH 610 North Loop from IH 45 North to the Hardy Toll Road, and portions of IH 10 and US 59 near downtown Houston.

Visit www.ih45northandmore.com to learn more about the project.

The Greater West Houston Mobility Plan

H-GAC, in partnership with City of Houston, the West Houston Association, the Westchase District, the Energy Corridor, the Texas Department of Transportation and others, is conducting a study to develop long range mobility and land use strategies for the greater West Houston area. The Greater West Houston Mobility Plan was launched in early 2012 to address transportation challenges posed by the explosive population and employment growth in

west Houston. The study area is approximately 180-square-miles bordered by FM 529 in the north to Bellaire Blvd, and Campbell/Blalock Roads in the east to Grand Parkway.

On October 15, 2013, seventy-five attendees gathered at a public meeting to learn more about the plan. During the meeting, attendees received an overview of the study and discussed and submitted comments regarding traffic congestion, bicycle, pedestrian, and transit issues. This was the first of three planned public meetings. A second public meeting is scheduled for early January 2014, with a final meeting planned for next March. If you missed the meeting, you can still participate in the study by visiting the project website at www.mywesthouston.com, or emailing comments to publiccomments@h-gac.com.

TxDOT solicits opinions on roads for North Houston Highway Improvement Project

By Flori Meeks | January 14, 2014

Comments 0 | E-mail | Print

Community members have been given an extended deadline - until Jan. 31 - to submit comments to the Texas Department of Transportation about proposed road improvements in north Houston.

TxDOT presented information on the North Houston Highway Improvement Project during November public meetings at Aldine Ninth Grade School and Jefferson Davis High School.

At that time, community members were asked to submit comments by Dec. 6.

"The reason we extended the deadline was to give folks more time to comment, including the business community, residents and the traveling public," said Danny Perez, TxDOT spokesman.

The North Houston Highway Improvement Project encompasses the following:

- 1 Interstate 45-North corridor from north of downtown Houston to Beltway 8 North
- 1 Beltway 8 North from I-45 North to the Hardy Toll Road
- 1 The Hardy Toll Road from I-610 North Loop to Beltway 8 North
- 1 I-610 North Loop from I-45 North to the Hardy Toll Road and
- 1 Portions of I-10 and U.S. 59 near downtown Houston.

"We've looked at everything from elevated lanes to even a tunnel to the downtown area," Perez said, adding that the tunnel option has been dropped.

The overall goal of the project is to reduce congestion in the area and enhance safety, Perez said.

"I-45 North is one of the top congested roads in the state, not only the city of Houston, but the state of Texas. We want to do something that's long term, something that will hold the area over for a long time.

"That's why we want to get folks' input."

TxDOT is conducting this effort in cooperation with the Federal Highway Administration.

The improvement options presented during the November public meetings include widening I-45 in a segment spanning from Beltway 8 to I-610. This work would result in a 12-lane section with eight general-purpose lanes and four managed lanes.

This option could involve acquiring additional right-of-way on either side of I-45.

Another alternative would include eight general-purpose lanes and four elevated managed lanes on a single structure at the center of the roadway.

TxDOT would acquire right-of-way on both sides of I-45.

Similar options were presented for I-45 in a segment between I-610 and I-10. TxDOT could widen I-45 there to a 12-lane section with eight general-purpose lanes and four managed lanes.

The project also could involve a 12-lane section with eight-general purpose lanes and four elevated managed lanes on a single structure at the center of the road.

A third option here would be to construct the four elevated managed lanes on a double-decked structure at the center of the roadway.

TxDOT's goal is to narrow the field of road improvement options to three: one for each of the three segments described.

Those options will then be evaluated in more detail as TxDOT prepares its Draft Environmental Impact Statement for the project.

Details: To submit comments, visit www.ih45northandmore.com, or submit an e-mail at www.txdot.gov/contact-us/form.html?id=hou-email.

Write to the Director of Project Developments, TxDOT, P.O. Box 1386, Houston, TX 77251-1386.
